Westwood is a charming Edwardian town house with a homely, welcoming atmosphere. It is comfortably furnished, has pleasant décor, and with garden areas for residents' use. It is located in a quiet residential part of Chorley, yet within easy walking distance of the town centre and all its amenities. It is on a bus route into Chorley with access to all routes from the bus and railway stations.

As the longest established home in the Chorley area, Westwood has built up a strong reputation for delivering quality care. Over the years we have been consistent in achieving a high standard in our inspection reports from the regulators of social care inspection.

Westwood offers a personalised 24-hour care service delivered by a highly trained, well experienced staff team. We care for up to 20 older people in a warm, friendly environment. Residents are encouraged to maintain full contact with community life whilst living in a sheltered, safe environment.

Westwood offers single room accommodation, some rooms being en-suite, and each highly individual. Living areas are spacious, light and airy, and include two elegant sitting rooms, a conservatory overlooking a walled garden and patio, a pleasant dining room, and sitting areas for quiet relaxation.

Westwood has been family run business since 1982 and is under the personal supervision of the managing director. It is the aim of the management and staff team to provide a family atmosphere where independence and privacy are a priority and individuals are treated with dignity and respect; their rights upheld, having the right of choice to enable each individual to live as fulfilled a lifestyle as they are able.
